Attachment to the notice of non-compliant appeal brief

For the proper headings and order, Applicant is directed to the new rules for appeal under 37 CFR 41.37.

The old system of grouping of claims is changed to the new system wherein the grouping is based on the ground of rejection.

In the arguments, a separate heading required for each ground for rejection. Any claims argued separately must be under a separate sub-heading. When multiple claims are argued as a group under one heading, board will may select a single claim from the group to decide the appeal.

Claims appendix presents claims 1 and 17 as 'previously presented', yet show markings of additions and deletions.
